Tailcoat Collection

The traditional Tailcoat has long been a popular choice for grooms.

The single-breasted jacket buttons in the centre, then curves away gradually to form two tails at the back. These Tailcoats look great with a Dove Grey Double Breasted waistcoat. To keep things time-honoured, wear the Black Herringbone Tailcoat with Grey Stripe trousers and wear the Navy Herringbone Tailcoat with Navy Stripe trousers.

If Grey is more your thing, the Mid Grey Tailcoat adds a stylish edge to this classic garment. Team it with pastel shades for a real vintage feel. Alternatively, opt for the Slate Grey Tailcoat and choose strong colours to complement this popular ensemble.

The Tailcoat Collection is available in sizes 20XS to 60XL.

Prince Edward Collection

The Prince Edward is another sophisticated choice for grooms.

This elegant, three-quarter-length jacket is perfect for grooms who want a traditional suit that is somewhat less formal than the Tailcoat. Choose from Black Herringbone, Navy Herringbone, Mid Grey or Slate Grey, and pair the refined Prince Edward with matching trousers.

The Prince Edward Collection is available in sizes 20XS to 60XL.
